

Mobile Pay at Pump

 Bath Row, Birmingham

Select Pump

Pump 1

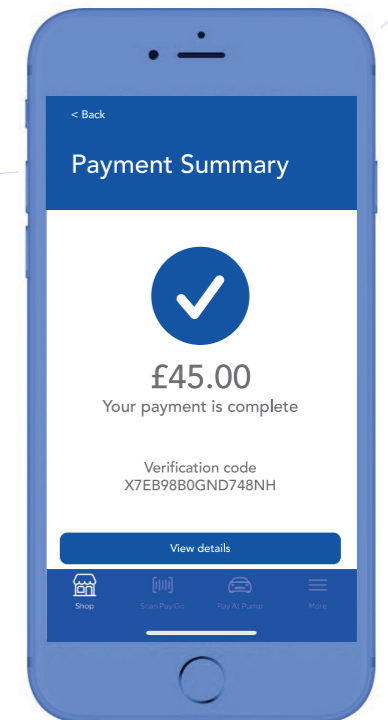

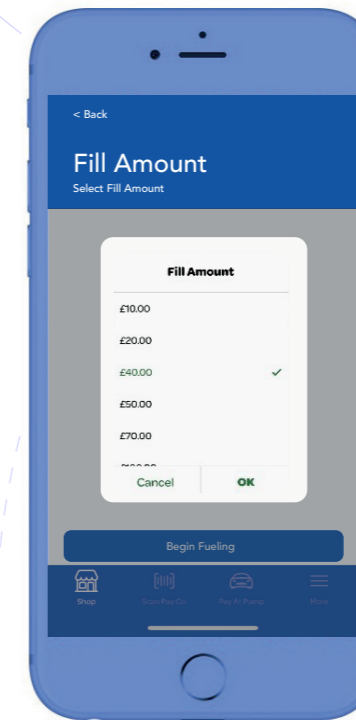

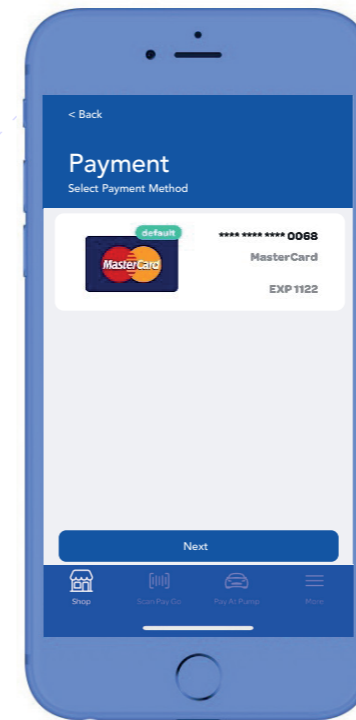

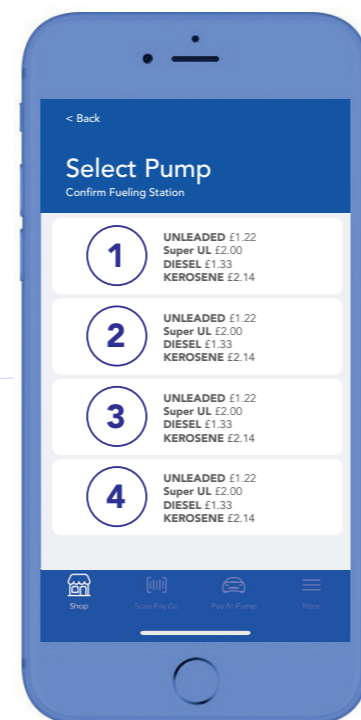

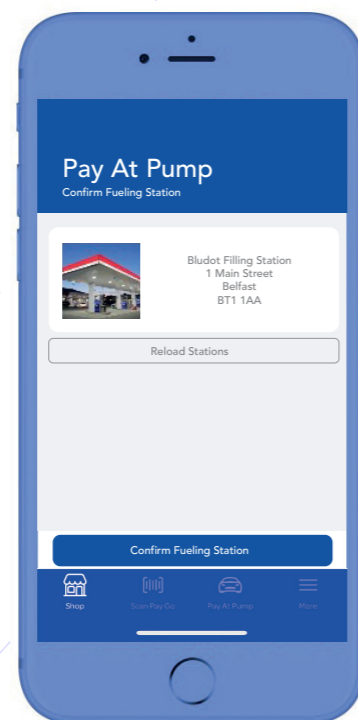

Pump 2

Fuel-Pay-Go

Refuelling using your Smartphone is simple, secure and streamlined. Simply open the App, enter the pump number, then begin fuelling. In just a few clicks you can Fuel-Pay-Go.

No need to go in store. No need to wait in line.

Fuel

Start the refuelling process:

- Select and confirm your filling station using the station location feature.
- Select and confirm the pump number.

Pay

Payment is secure and effortless:

- Choose your payment card.
- Choose refill value and start refueling.

Go

A streamlined process...

- When fuelling is complete, an email receipt is issued instantly.
- Now you are good to go. ... it's as simple as Fuel, Pay & Go.

Benefits at a glance

Part of the Halo retail platform, Fuelpay, is a must have for progressive fuel station proprietors.

Mobile Pay @ Pump is simple, secure and streamlined. Its functionality simplifies the fuel purchase process, while effortlessly connecting to your electronic Point of Sale applications and Payment Providers.

Simple, Secure, Streamlined:

Simple to use with secure customer payments. Streamlining how customers buy fuel using their smartphone.

Stay ahead of your competition:

Offer your customers a service above & beyond the competition.

Safety & Convenience:

Removes need to enter store. The experience is quicker, safer and more convenient. Ultimately, that's better for customers.

Retain & grow customer base:

Benefit from new customers using the app. Create customer loyalty with in-app promotions.

Optimize staff activity:

Staff can focus on higher value customer service activities.

Effortless Integration:

Easy set up. Our experts will fully integrate our software with your existing systems.
